### History:

Larouge in French Simple means - The Red. Since I have red hair, John has his red tomatoes and we wanted to breed red point Birmans, the name seemed appropriate. The cattery originally started with the breeding of Birman cats in mind and has grown fast, owing to the demand of kitten buyers requesting boarding facilities, as well as vets recommendations and word of mouth. We have endeavoured to create a pleasant, roomy atmosphere with indoor and outdoor facilities, where the cats will feel at home, along with lots of TLC.

### Note:

Please keep articles that you bring into the cattery to a minimum, as space is limited.

### Please Note:

**OWING TO THE DEMAND FOR ACCOMMODATION DURING HOLIDAY PERIODS, WE RESERVE THE RIGHT TO CHARGE FOR THE FULL PERIOD BOOKED SHOULD YOU DECIDE TO PICK UP YOUR CAT PRIOR TO THE ARRANGED DATE.**

**THIS STRICTLY APPLIES OVER THE CHRISTMAS/NEW YEAR'S PERIOD!**
